We're here to help! Here's some important information regarding your new membership:

Exhibiting at Solas as a member:

We hold regular exhibitions at 117 East 24th Street, located in Manhattan's Flatiron District. Members at any level are encouraged to participate in quarterly month-long shows intended to showcase new work. Solas may invite a guest curator or internally organize additional exhibitions or solo features at the behest of the community. All planning for gallery exhibits is done via our members-only Discord.

Work entered into a quarterly exhibition is guaranteed to be exhibited providing it meets the following criteria before it is dropped off:

- Approved by curation team for size, subject matter and framing/presentation
- Was completed 12 months or less from the exhibition's opening date
- Has not been recently exhibited elsewhere in NYC in the previous 12 months

All other exhibitions and subsequent requirements for entry are at the full discretion of the curator or curatorial team for that particular show. We want to help you bring your vision to life! Here are some helpful tips on what makes a solid show proposal for hopeful curators:

- A desired date range that does not conflict with the confirmed calendar
- Clear and straightforward exhibition description
- Complete list of participating artists and their biographies
- A price list or estimated price range of salable work
- Supportive informational and press materials

Solas provides a budget of \$100 for refreshments at opening receptions. Additional drinks, snacks or giveaway items provided by participating members must be cleared by the curatorial team.

Printing and selling online as a Solas member:

All print sales made with accrued membership dues are final. You can find our price list for printing online. If your membership tier provides e-commerce/print-on-demand services, Solas will handle all transactions including payment collection, order fulfillment and shipping. Payouts from sales made with Solas can be made via Check, Zelle, PayPal, CashApp, or Venmo within 72 hours of the sale. You may opt to apply your sales balance as credit towards dues, photography services or printing.

Studio access:

Studio Keyholders may only apply any monthly dues above \$600 as credit towards professional services. Those who reserve the studio are entitled to it's full use, schedule permitting, including it's equipment but must be "teched out" or trained on the proper use of said equipment before they are allowed to handle it.

All guests of members must be approved ahead of time and may be limited to 2 at a time unless otherwise authorized by Solas. Members wishing to hold a public event in the space during their reservation must pay an additional fee of \$150 to cover staf, cleaning and marketing costs.

Canceling a membership:

With the exception of Keyholders, who sign a 6-month minimum agreement members of Solas Studio can cancel their account at any time via email. Solas does not offer refunds on membership dues with. Solas members returning from a hiatus may be out on a wait-list with priority.
